Re: Changes to RRA in Order to Implement Inter-Registrar Transfer Policy

Dear Chuck:

Thank you very much for your continuing cooperation and assistance with the development and implementation of the new Inter-Registrar Transfer Policy <www.icann.org/transfers>.

Thank you too for sending the proposed revisions to the .COM and .NET registry-registrar agreements which will facilitate the implementation of the new transfer policy in those TLDs.

Subject to the approval of the U.S. Department of Commerce, if applicable, ICANN hereby consents to the revision of the form of the .COM and .NET registry-registrar agreements proposed in your email to Kurt Pritz dated 27 October 2004.

Please contact me if you have any questions.

Sincerely,

Daniel E. Halloran
Deputy General Counsel
