

COURT FILE NO.: 03-CV-24621

SUPERIOR COURT OF JUSTICE - ONTARIO

RE: POOL.com INC. v Internet Corporation for Assigned Names and Numbers

BEFORE: The Honourable Mr. Justice Robert L. Maranger

COUNSEL: K. Scott McLean and Y. Monica Song, for the Plaintiff

Matthew P. Gottlieb and Andrea L. Burke, for the Defendant

RULING ON COSTS

[1] The Court has received the written submissions of counsel with respect to the issue of costs in this case.

[2] In my view, this is an appropriate case for costs on a partial indemnity scale in favour of the defendant, ICANN. I was particularly impressed with the efforts made by the plaintiff to try and resolve the issue of the nature and extent of the disclosure of the information requested by the defendant, and in my view an appropriate costs order is \$4,500.

[3] The plaintiff is therefore ordered to pay costs fixed in the amount of \$4,500.

The Honourable Mr. Justice Robert L. Maranger
