Dear Under-Secretary General Zukang,

Thank you for your letter of 12 March inviting ICANN to provide an annual performance report as follow-up to the Tunis Agenda on the Information Society. I note that we have not seen the report of September 2006 of Mr. Desai findings of consultations with representatives of all stakeholder groups to find a common ground with reference to the process.

We shall prepare a response to your letter, summarizing all the publicly available information regarding ICANN's steps taken in relation to enhanced cooperation. However, this will need to be considered by the ICANN Board, which we anticipate will occur at one of its upcoming Board meetings.

Yours sincerely

Paul Twomey
