

Dear ICANN Naming Services portal user,

Pursuant to Section 9.2 of the Terms of Use for the Naming Services portal (the 'NSp Terms') (now Section 10.2 in the updated NSp Terms), the ICANN organization notifies you of the update to the NSp Terms to include the usage of the [Registration Data Request Service](#).

You can review the Terms of Use [here](#). Please be aware that you will be prompted to accept the revised NSp Terms in the portal.

Best regards,
Russ Weinstein
Vice President, GDD Accounts & Services
