Proposed Service

Name of Proposed Service:

.shopping DPML request

Technical description of Proposed Service:

Over Keep, LLC would like offer a Domains Protected Marks List service ("DPML") as an approved service under Exhibit A of the Registry Agreement.

Consultation

Please describe with specificity your consultations with the community, experts and or others. What were the quantity, nature and content of the consultations?:

Donuts Inc., through its multiple registry operator subsidiaries, currently offers DPML in all of its TLDs. DPML is a service that has been well received by the community since its initial launch.

a. If the registry is a sponsored TLD, what were the nature and content of these consultations with the sponsored TLD community?:

N/A

b. Were consultations with gTLD registrars or the registrar constituency appropriate? Which registrars were consulted? What were the nature and content of the consultation?:

Many registrars offer DPML services for the Donuts TLDs and are supportive of including .SHOPPING in the offering.

c. Were consultations with other constituency groups appropriate? Which groups were consulted? What were the nature and content of these consultations?:

N/A

Contractual Provisions

List the relevant contractual provisions impacted by the Proposed Service:

Exhibit A; Section 6

What effect, if any, will the Proposed Service have on the reporting of data to ICANN:

None.

What effect, if any, will the Proposed Service have on the Whois?:

None.

Contract Amendments

Please describe or provide the necessary contractual amendments for the proposed service:

We propose replacing the current Exhibit A; Section 6 "Blocking Service" with our standard DPML language:

6 Domains Protected Marks List (DPML)

The DPML is a service that allows trademark rights holders to block certain labels from registration across multiple TLDs operated by the Registry Operator. The blocked names must comply with the provisions described in Specification 5, Section 3.3 of the Registry Agreement. Domain Names blocked by the DPML service will be either an exact match of a label or will contain an exact match of such labels, or may include domain names that are a misspelling or contain a misspelling of a label. Blocked labels do not prevent other trademark rights holders from unblocking the label and registering the domain name.

Benefits of Service

Describe the benefits of the Proposed Service:

Adding DPML as a permitted service will be beneficial to current and future DPML holders, as it will enable DPML to apply to .SHOPPING in the same manner as DPML applies to other Donuts-operated TLDs.

Competition

Do you believe your proposed new Registry Service would have any positive or negative effects on competition? If so, please explain.:

None

How would you define the markets in which your proposed Registry Service would compete?:

DPML in .SHOPPING will be offered to the same market in which DPML currently competes.

What companies/entities provide services or products that are similar in substance or effect to your proposed Registry Service?:

Donuts offers DPML across all of its TLDs.

In view of your status as a registry operator, would the introduction of your proposed Registry Service potentially impair the ability of other companies/entities that provide similar products or services to compete?:

N/A

Do you propose to work with a vendor or contractor to provide the proposed Registry Service? If so, what is the name of the vendor/contractor, and describe the nature of the services the vendor/contractor would provide.:

Rightside Domains Europe Ltd. will provide back-end services to this registry operator and will support DPML.

Have you communicated with any of the entities whose products or services might be affected by the introduction of your proposed Registry Service? If so, please describe the communications.:

Yes. We have communicated to registrars that we anticipate DPML will apply to .SHOPPING.
