STATEMENT OF INTEREST

This is the statement of interests that I might be perceived to have with respect to the Whois Policy Review:

1. I hold three domain names for personal and business use. These are registered in my own name.
2. I am a Fellow of InternetNZ, a charitable body that is, in part, a ccTLD manager. Fellowship is an honorary office that carries no authority or remuneration.

I have no other interest in Whois policy.

Sincerely

Colin Jackson
Independent Technology and Policy Consultant
