ICANN BOARD SUBMISSION NO. 2013.11.21.2c

TITLE: SSAC Member Reappointments

PROPOSED ACTION: For Board Consent Agenda

EXECUTIVE SUMMARY:

One of the recommendations arising out of the organizational review of the Security and Stability Advisory Committee (SSAC) is for SSAC membership appointments to be for a term of three years renewable by the Board at the recommendation of the SSAC indefinitely, and that the terms be staggered to allow for the terms of one-third of the SSAC members to expire at the end of every year. On 05 August 2010 the ICANN Board approved Bylaws revisions that create three-year terms for SSAC members and assigned initial one-, two-, and three-year terms to all SSAC members. Each year the SSAC Membership Committee evaluates those members whose terms are ending in the calendar year, in this case 31 December 2013. The Membership Committee submitted its recommendations for member reappointments to the SSAC, which approved the reappointments of the following SSAC members: Roy Arends, Jeffrey Bedser, Sarmad Hussain, Merike Kaeo, Warren Kumari, Matt Larson, Danny McPherson, and Shinta Sato. Two members elected not to seek reappointment: Jeremy Hitchcock and Vanda Scartezini.

SSAC RECOMMENDATION:

The Committee recommends the Board reappoint the SSAC members as identified in the proposed resolution.

PROPOSED RESOLUTIONS:

Whereas, Article XI, Section 2, Subsection 2 of the Bylaws governs the Security and Stability Advisory Committee (SSAC).

Whereas, the Board, at Resolution 2010.08.05.07 approved Bylaws revisions that create three-year terms for SSAC members, require staggering of terms, and obligate the SSAC chair to recommend the reappointment of all current SSAC members to full or partial terms to implement the Bylaws revisions.

Whereas, the Board, at Resolution 2010.08.05.08 appointed SSAC members to terms of one, two, and three years beginning on 01 January 2011 and ending on 31 December 2011, 31 December 2012, and 31 December 2013.

Whereas, in July 2013 the SSAC Membership Committee initiated an annual review of SSAC members whose terms are ending 31 December 2013 and submitted to the SSAC its recommendations for reappointments.

Whereas, on 25 September 2013, the SSAC members approved the reappointments.

Whereas, the SSAC recommends that the Board reappoint the following SSAC members to three-year terms: Roy Arends, Jeffrey Bedser, Sarmad Hussain, Merike Kaeo, Warren Kumari, Matt Larson, Danny McPherson, and Shinta Sato.

Resolved (2013.11.21.xx), the Board accepts the recommendation of the SSAC and reappoints the following SSAC members to three-year terms beginning 01 January 2014 and ending 31 December 2016: Roy Arends, Jeffrey Bedser, Sarmad Hussain, Merike Kaeo, Warren Kumari, Matt Larson, Danny McPherson, and Shinta Sato.

PROPOSED RATIONALE:

The SSAC is a diverse group of individuals whose expertise in specific subject matters enables the SSAC to fulfil its charter and execute its mission. Since its inception, the SSAC has invited individuals with deep knowledge and experience in technical and security areas that are critical to the security and stability of the Internet's domain name system. The above-mentioned individuals provide the SSAC with the expertise and experience required for the Committee to fulfil its charter and executive its mission.

PROPOSED ACTION: **For Consent Agenda**

On 25 July 2010 the ICANN Board approved the appointment of Jeremy Hitchcock to the Security and Stability Advisory Committee for a term ending on 31 December 2013. On 25 September 2013 Mr. Hitchcock announced to the SSAC that he will not seek reappointment when his term ends.

COMMITTEE RECOMMENDATION:

The Committee wishes to formally thank Jeremy Hitchcock for his work while a member of the Security and Stability Advisory Committee.

ICANN BOARD SUBMISSION NO. 2013.11.21.2f

TO: ICANN Board
TITLE: Changes to Board Standing Committees
PROPOSED ACTIONS: For Consent Agenda

EXECUTIVE SUMMARY:

The reasons that lead to the formation of certain standing Board Committees – namely the IANA Committee, the Public and Stakeholder Engagement Committee, and the Board Global Relationships Committee – no longer exist as they did at formation.

The Board Governance Committee considered the necessity of maintaining these Board committees at its 26 September 2013 meeting and concluded that the areas in which these committees are focused more properly reside with management. This matter was also discussed with the full Board during the Board workshop in Los Angeles on 27 September 2013.

BGC RECOMMENDATION:

The BGC recommends that the Board decommission the following standing Board Committees: (i) the IANA Committee; (ii) the Public and Stakeholder Engagement Committee; and (iii) the Board Global Relationships Committee.

PROPOSED RESOLUTION:

Whereas, the reasons that lead to the formation of certain standing Board Committees – namely the IANA Committee, the Public and Stakeholder Engagement Committee (“PSEC”), and the Board Global Relationships Committee (“BGRC”) – no longer exist as they did at formation.

Whereas, the Board Governance Committee (“BGC”) has considered the necessity of maintaining the IANA Committee, PSEC, and BGRC.

Whereas, the BGC has concluded that the areas in which these committees are focused more properly reside with management and recommends that the Board decommission these standing Board Committees.

Resolved (2013.11.21.xx), the IANA Committee, the Public and Stakeholder Engagement Committee (“PSEC”), and the Board Global Relationships Committee (“BGRC”) are hereby decommissioned.

Resolved (2013.11.21.xx), the President and CEO is directed to develop a regular reporting mechanism to the Board on the areas in which these standing Board committees are focused.

PROPOSED RATIONALE:

Section 1, Article XII of the ICANN Bylaws provide that the Board may establish or eliminate Board committees, as the Board deems appropriate. (Bylaws, Art. XII, § 1.) The Board has delegated to the BGC the responsibility for periodically reviewing and recommending any adjustments to the charters of Board Committees deemed advisable. (*See* BGC Charter at <http://www.icann.org/en/committees/board-governance/charter.htm>.)

In an effort to streamline operations and maximize efficiency and effectiveness, the BGC reviewed the necessity and appropriateness of moving forward with the current slate of standing Board Committees. The BGC determined that reasons that lead to the formation of the IANA Committee, the Public and Stakeholder Engagement Committee (“PSEC”), and the Board Global Relationships Committee (“BGRC”) no longer exist as they did at formation. The BGC noted that these standing Board Committees were formed due to perceived need for more focused Board involvement in the areas in which these Committees are focused. Since the formation of these three Committees, the areas that the Committees were charged with overseeing have evolved and are now more properly and efficiently handled by management rather than the a Board Committee. The BGC noted, and the Board agrees, that the decommissioning of these Committees does not mean that the BGC considers the topics for which these Committees were established of any less import. The Board shall continue to maintain oversight and governance over the subject matters in which these Committees are focused through regular reporting from staff to the Board. Specifically, with respect to the

subject of global relationships, briefings will be provided to the Board at each public Board meeting. The Board will also continue to remain involved by providing strategic guidance on the topics that would have otherwise been overseen by the IANA Committee, the PSEC, and the BGRC.

Taking this decision will not have a financial impact on ICANN, nor will it have an effect on the security, stability or resiliency of the domain name system.

This decision is an Organizational Administrative Function that does not require public comment.
