TITLE: June 2016 ICANN Meeting Venue Contracting

PROPOSED ACTION: For Board Consideration and Approval

EXECUTIVE SUMMARY:

The Board is being asked to authorize staff to take all steps necessary to complete contracting for the convention center in Helsinki, Finland for the June 2016 ICANN Public Meeting, which requires Board approval as it will exceed US$500,000. The Reference Materials for this paper summarizes the steps taken to locate a site for the June 2016 Public Meeting, and outlines the facilities’ costs.

STAFF RECOMMENDATION:

Staff recommends that the Board delegate to the President and CEO, or his designee(s), the authority to take all actions necessary to enter into a contract, and make expense disbursements pursuant to that contract, for the convention center in Helsinki, Finland where ICANN will hold the June 2016 Public Meeting.

BOARD FINANCE COMMITTEE (BFC) RECOMMENDATION: - Subject to BFC approval on 3 March 2016

The BFC recommends that the Board delegate to the President and CEO, or his designee(s), the authority to take all actions necessary to enter into a contract, and make expense disbursements pursuant to that contract, for the convention center in Helsinki, Finland, where ICANN will hold its June 2016 Public Meeting.

PROPOSED RESOLUTION:

Whereas, ICANN intended to hold its second Public Meeting of 2016 in the Latin America/Caribbean region.

Whereas, the Zika Virus outbreak in the Latin America/Caribbean region caused a relocation of the Public Meeting to a different part of the world.

Whereas, staff completed a thorough review of the available venues and finds Helsinki, Finland most suitable.
Resolved (2016.03.09.xx), the Board authorizes the President and CEO, or his designee(s), to engage in and facilitate all necessary contracting and disbursements for the convention center for the June 2016 ICANN Public Meeting in Helsinki, Finland, in an amount not to exceed

Confidential Negotiation Information

Resolved (2016.03.09.xx), specific items within this resolution shall remain confidential for negotiation purposes pursuant to Article III, section 5.2 of the ICANN Bylaws until the President and CEO determines that the confidential information may be released.

PROPOSED RATIONALE:

As part of ICANN’s Public Meeting schedule, presently three times a year, ICANN hosts a meeting in a different geographic region (as defined in the ICANN Bylaws). ICANN 56, scheduled for 27-30 June 2016, was to occur in the Latin America/Caribbean geographic region. Since the Zika Virus outbreak made the Latin America/Caribbean region unsuitable for an ICANN Meeting in 2016, staff performed a search for suitable, available venues in the other geographic regions of the world and found Helsinki, Finland to be the best option.

The staff performed a thorough analysis of the meeting facilities, and ensured they met the Meeting Selection Criteria (see http://meetings.icann.org/location-selection-criteria). Based on the analysis, ICANN has identified Helsinki, Finland as the location for ICANN 56.

The Board reviewed staff’s briefing for hosting the meeting in Helsinki, Finland and the determination that the facilities met the significant factors of the Meeting Selection Criteria, as well as the related costs for facilities selected, for the June 2016 ICANN Public Meeting.

There will be a financial impact on ICANN in hosting the meeting and providing travel support as necessary, as well as on the community in incurring costs to travel to the meeting. But such impact would be faced regardless of the location and venue of the meeting. This action will have no impact on the security or the stability of the DNS.

Based on the proposals and analysis, ICANN has identified Johannesburg, South Africa as the location for ICANN 59.

The Board reviewed staff’s briefing for hosting the meeting in Johannesburg, South Africa and the determination that the proposal met the significant factors of the Meeting Selection Criteria, as well as the related costs for facilities selected, for the June 2017 ICANN Public Meeting.

There will be a financial impact on ICANN in hosting the meeting and providing travel support as necessary, as well as on the community in incurring costs to travel to the meeting. But such impact would be faced regardless of the location and venue of the meeting. This action will have no impact on the security or the stability of the DNS.

The Board thanks all who recommended sites for ICANN 59.
