To the Decisional Participants in the Empowered Community and the Empowered Community Administration:

Pursuant to Section 25.1 of the ICANN Bylaws (at <https://www.icann.org/resources/pages/governance/bylaws-en>), this serves as notice to the EC Administration and Decisional Participants in the Empowered Community that on 1 May 2022 the ICANN Board approved Standard Bylaws Amendments to Article 10 of the ICANN Bylaws. The resolution approving the Standard Bylaws Amendment is available at <https://www.icann.org/resources/board-material/resolutions-2022-05-01-en#2.c>.

The approved Standard Bylaws Amendments are identical to the proposed amendments posted for Public Comment at <https://www.icann.org/en/public-comment/proceeding/icann-bylaws-amendments-ccnso-proposed-changes-to-article-10-and-annex-b-21-01-2022>.

Under the ICANN Bylaws, the Empowered Community now has the opportunity to consider whether it will reject the Board's approval.
