Dear Lars-Johan,

The ICANN Board has received the [letter of 7 May 2021](#) from the Customer Standing Committee (CSC) that supports the recommendations made by the IANA Naming Function Review Team (IFRT) in the [IFR Final Report](#). On behalf of the Board, I extend our thanks to everyone on the CSC who took the time to work with the IFRT and review the team's final recommendations.

I am pleased to inform you that on 12 May 2021, the ICANN Board resolved to approve all four IFRT recommendations.

The CSC plays an important role in ensuring the satisfactory performance of the Internet Assigned Numbers Authority (IANA) naming function on behalf of the direct customers of the naming services.

Thank you again for your efforts.

Sincerely,

Maarten Botterman  
Chair, ICANN Board of Directors
