The following optional seats are currently vacant as the respective groups have chosen not to appoint these in the past:

- RySG alternate seat (1)
- SSAC liaison seat (1) and alternate seat (1)
- ASO liaison seat (1) and alternate seat (1)

In addition, each of the appointing organizations may appoint one alternate to ensure the CSC attendance requirements are met. If an appointee (member or liaison) is not able to be present at a meeting and has informed the alternate and the CSC chair accordingly, an alternate may take on the role of the appointee (member or liaison).

Please initiate your respective group's processes to appoint members, liaisons, and alternates to these seats. Liaison and alternate appointments are optional (albeit strongly encouraged).

CSC appointments will be for a **two-year period with the option to renew for up to two additional two-year terms**. Participation in the CSC is voluntary. The CSC is expected to perform most of its work telephonically and via email.

Candidates should review the [CSC Candidates Qualification Requirements](#) for details about candidate selection and the [CSC Charter](#) to understand the scope of the requirements and duties. The [CSC onboarding deck](#) may also be a helpful resource. As noted in the Charter, all
candidates are required to submit an Expression of Interest (template attached) and should also include a resume or biography in support of their Expression of Interest.

Please notify ICANN org of your member, liaison, and alternate appointments, or your decision not to appoint optional roles, by Friday 26 July 2024 at csc-eoi@icann.org. A timeline of key activities and dates in the overall appointment process is included below for reference. If you have questions or need additional information, please do not hesitate to contact me.
