Subject: Support of the SSAC Letter to ICANN Board

On behalf of the Foundation for Assistance for Internet Technologies and Infrastructure Development (FAITID), the applicant for .MOSCOW and Cyrillic .MOCKBA TLDs, I would like to express full support for the SSAC Letter to the ICANN Board dated 02 July 2012.

FAITID agrees on all recommendations listed in the letter and considers it is absolutely imperative to ensure all participants of the root zone management process are able to contribute to the design and implementation of the systems necessary to provide DNS root zone security and stability during the introduction and further operation of new gTLDs.

Yours sincerely,

Dmitry Burkov,
Chairman of the
Board of the Foundation for assistance for
Internet Technologies and Infrastructure Development
