RE: Joint ccNSO and SSAC Response to ICANN Board on EPSRP

Dear Katrina and Patrik,

Thank you for your correspondence of 19 September 2017 regarding the Joint ccNSO and SSAC Response to ICANN Board on EPSRP, addressing the inquiry by the ICANN Board communicated on 24 April 2017. Your correspondence has been posted to ICANN Correspondence page at <https://www.icann.org/en/system/files/correspondence/sasaki-falstrom-to-crocker-19sep17-en.pdf>.

The Board has considered your proposal and, as you likely know, passed a resolution (<https://www.icann.org/resources/board-material/resolutions-2017-10-29-en#2.c>) to amend the Final Implementation Plan for the IDN ccTLD Fast Track Process as proposed in the Joint ccNSO and SSAC Response.

ICANN Org is in the process of defining the criteria for implementing the proposed solution, and will reach out to ccNSO and SSAC to confirm that it aligns with the intended interpretation in the joint response.

Thank you for your constructive and collaborative approach in resolving this issue.

Best regards,
