Mr Chairman,

With the non-profit organization www.bzh, I'm honored to support the proposed establishment of the generic Top-Level Domain ".bzh" to promote the values of Brittany.

As a french Sénateur-Maire, I support the relevance of such a creation (.bzh) that should enhance the influence of the Brittany region.

Before to read your answer, I fully agree with this project and I wish to see it fulfilled.

Thanking you in advance to work at the successful completion of necessary inquiries.

Yours faithfully

Joël GUERRIAU
Sénateur de Loire-Atlantique
Maire de Saint-Sébastien-sur-Loire
