Subject: Request to extend Privacy Proxy Specification in RAA

Dear Russ and Andee,

Thank you for your [13 July letter](#) proposing the extension of the 2013 RAA Specification on Privacy and Proxy Registrations Expiration Date. In response, I'm pleased to inform you that the Registrar Stakeholder Group has agreed to voluntarily extend the date of the specification until such time as the Privacy and Proxy Service Provider Accreditation Program (Accreditation Program) has been implemented.

Regards,

Ashley Heineman
