

The Internet Corporation for Assigned Names and Numbers

27 April 2017

Dear Madam Hu,

Thank you for taking the time to meet with me and my ICANN team during my visit to Beijing. I enjoyed our discussion in the car, and over dinner at the very impressive jade museum.

It was my pleasure to be able to meet with you as China's Internet pioneer. The Internet is not done, and the challenges we face regarding the development of the Internet are unprecedented. I hope that my staff and I can continue to learn from you as we write the Internet's next chapters.

I look forward to meeting you again in the near future. Thank you.

Yours sincerely,

Göran Marby  
President & CEO ICANN
