Shigeki Suzuki
Former Vice-Minister for Policy Coordination (International Affairs)
Ministry of Internal Affairs and Communications, Japan

Dear Vice-Minister Suzuki,

Thank you for your letter dated 1 August informing of your portfolio re-assignment in the Ministry of Internal Affairs and Communications (MIC).

On behalf of ICANN, I would like to convey my appreciation to you and your team for the excellent relationship we have enjoyed the past year under your leadership. Thank you also for the conversations we had at IGF 2016 and at the WSIS Forum this year. ICANN, and I am sure the MIC, have benefited from these exchanges and our close collaboration.

I look forward to working closely with Vice-Minister Tominaga and his team, to continue the close cooperation on ICANN's activities and key issues of Internet governance.

I wish you all the best.

Best regards,

Göran Marby
President & CEO ICANN
