Re: Change of Corporate Name

Dear Francisco

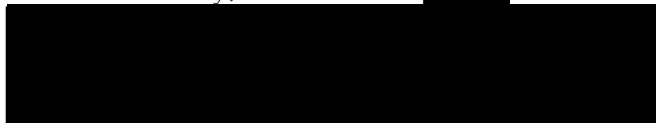

mTLD Top Level Domain Limited has changed its corporate name. The new name of our company is Afilias Technologies Limited.

This name change has no effect on the legal standing of our company, which remains unchanged under the laws of Ireland. It is merely a change of name intended to better define our services and our association with our parent company, Afilias Limited.

I have attached a copy of the Certificate of Corporation of Name Change for your records.

If you have any questions in this regard, please feel free to contact me at +353.1.854.1100.

Yours faithfully,

Eileen O'Sullivan
Chief Financial and Operating Officer
