Re: Request for Two-Character SLD RSEP

Dear Jonathon Nevett,

ICANN has conducted a preliminary review of RSEP Ticket ID G8K3U-8P2S4 to introduce two-character domains to the marketplace, in accordance with the Registry Services Evaluation Policy and process provided at: https://new.icann.org/resources/pages/policy-bd-2012-02-25-en.

Based on the information provided, ICANN’s preliminary review did not identify any significant competition or security and stability issues. Implementation of your proposal is the first type of request in the new gTLD space and would require an amendment to the following Registry Agreements:

- .academy Registry Agreement between Half Oaks, LLC and ICANN (dated 7 Nov 2013)
