### Failure to Provide Documents and Information for Audit and to Make Records Relating to Registered Name Holders Available to ICANN

Section 3.14 of the RAA requires KuwaitNET, as part of any reasonable contractual compliance audit, to timely provide the documents and information known by KuwaitNET necessary to demonstrate compliance with the terms of this Agreement. Section 3.4.2 of the RAA requires KuwaitNET to maintain registration data and records relating to its dealings with Registered Name Holders and with the Registry Operator(s) for every domain name under KuwaitNET's management. Section 3.4.3 of the RAA requires KuwaitNET to make these records and data available to ICANN upon reasonable notice.

As detailed in the chronology below, since 1 October 2013 ICANN sent KuwaitNET three notices regarding the requirements of ICANN's Audit Program. To date, KuwaitNET has not responded to any Audit Program communication and has not contacted ICANN regarding the Audit Program.

### Failure to Pay Accreditation Fees

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. KuwaitNET owes ICANN \$1,000.00 in past due accreditation fees, in breach of Section 3.9 of the RAA.
