RE: NOTICE OF BREACH OF REGISTRAR ACCREDITATION AGREEMENT

Dear Mr. Moran,

Please be advised that as of 3 September 2014, Black Ice Domains, Inc. ("Black Ice") is in breach of its Registrar Accreditation Agreement ("RAA") with the Internet Corporation for Assigned Names and Numbers ("ICANN") dated 18 January 2011 ("RAA"). This breach result from:

Additional Considerations

Black Ice is currently not providing web-based or a port 43 Whois service as required by Section 3.3.1 of the RAA. Although Black Ice has responded to ICANN compliance notices, the issue remains unresolved.

ICANN requests that Black Ice cure the breaches by 23 September 2014, 15 working days from the date of this letter, by taking the following actions:

1. Pay all past due accreditation fees of \$2,536.85
2. Clearly display a link to renewal fees, post-expiration renewal fees (if different), and redemption/restore fees on Black Ice's website;
3. Provide a description of methods used to deliver pre- and post-expiration notifications on Black Ice's website; and
4. Provide an interactive web page and a port 43 Whois service providing free public query-based access to up-to-date data concerning all active Registered Names sponsored by Registrar for each TLD in which it is accredited.

If Black Ice fails to timely cure the breaches and provide the information requested by 23 September 2014, ICANN may commence the RAA termination process.

If you have questions or require assistance, please contact Owen Smigelski at owen.smigelski@icann.org.

Sincerely,
