**RE: NOTICE OF SUSPENSION OF REGISTRAR'S ABILITY TO CREATE NEW REGISTERED NAMES OR INITIATE INBOUND TRANSFERS OF REGISTERED NAMES**

Dear Mr. Ramirez,

This notice is sent to MOBILE.CO DOMAINS CORP. ("Mobile.co") further to its Registrar Accreditation Agreement ("RAA") with the Internet Corporation for Assigned Names and Numbers ("ICANN") dated 30 July 2015 ("RAA").

Pursuant to Section 5.5.4 of the RAA, Mobile.co failed to cure breaches of the RAA within 21 days after ICANN issued Mobile.co a notice of breach on 2 February 2016. Mobile.co's ability to create new Registered Names or initiate inbound transfers of Registered Names is suspended for 90 days pursuant to Section 5.7 of the RAA.

The suspension is effective 24 March 2016 at 00:00 UTC and will conclude on 22 June 2016 at 00:00 UTC, or longer if Mobile.co has not demonstrated compliance on or before 1 June 2016. Consistent with Section 5.7 of the RAA, during the suspension period, Mobile.co must not:

1. Create new Registered Names for any Top Level Domain ("TLD"); or
2. Initiate or accept inbound transfers of Registered Names for any TLD.

To demonstrate compliance, Mobile.co must timely cure all the breaches identified in the notice of breach dated 2 February 2016 and provide the following to ICANN:

1. Immediately deposit gTLD registration data on a weekly basis to Iron Mountain Intellectual Property Management, Inc. (“Iron Mountain”) and ensure that the deposits meet the required specifications;
2. Provide an interactive webpage and a port 43 Whois service providing free public query-based access to up-to-date data concerning all active registered names sponsored by Mobile.co for each TLD in which it is accredited; and
3. Pay all past due accreditation fees.

Failure to demonstrate compliance by 1 June 2016 may result in RAA termination and an extension to Mobile.co’s suspension pending final termination.

#### **Notice on Mobile.co’s Website**

During the suspension period, Mobile.co must prominently display the following on its website on all pages where Registrar Services, as defined by the RAA, are offered:

**No new registrations or inbound transfers will be accepted from 24 March 2016 through 22 June 2016.**

Please be advised that Mobile.co may be subject to escalated compliance action (including RAA termination) if ICANN receives additional information, either through complaints or its own monitoring, demonstrating that Mobile.co continues to violate the RAA or Consensus Policies, including failure to make data escrow deposits, after the suspension period ends.
