RE: NOTICE OF BREACH OF REGISTRAR ACCREDITATION AGREEMENT

Dear Mr. Mock Ho Usaga,

Please be advised that as of 17 October 2014, Vigson, Inc. ("Vigson") is in breach of its Registrar Accreditation Agreement ("RAA") with the Internet Corporation for Assigned Names and Numbers ("ICANN") dated 03 October 2012 ("RAA"). These breaches results from:

1. Vigson’s failure to maintain current commercial general liability insurance as required by Section 3.10 of the RAA;

2. Vigson’s failure to notify ICANN of a change to its contact information within 30 days, as required by Section 5.11 of the RAA; and

3. Vigson’s failure to pay past due accreditation fees, as required by Section 3.9 of the RAA.

ICANN requests that Vigson cure the breaches by 7 November 2014, 15 working days from the date of this letter, by taking the following actions:

1. Provide ICANN with proof that Vigson maintains commercial general liability insurance with policy limits of at least US$500,000;

2. Provide ICANN with written notice of updated contact information;
3. Provide ICANN with documentation that Vigson is in good standing in its jurisdiction of incorporation and is not bankrupt or insolvent; and

4. Pay all past due accreditation fees of $6,185.58.

If Vigson fails to timely cure the breaches and provide the information requested by 7 November 2014, ICANN may commence the RAA termination process.

If you have questions or require assistance, please contact Owen Smigelski at owen.smigelski@icann.org.

Failure to provide evidence of required insurance coverage

Section 3.10 of the RAA requires registrars to maintain in force commercial general liability insurance with policy limits of at least US$500,000 covering liabilities arising from a registrar’s registrar business during the term of the RAA. Vigson’s failure to provide evidence that it maintains general commercial liability insurance is a breach of Section 3.10 of the RAA.

Failure to notify ICANN of changes to registrar contact information

Section 5.11 of the RAA requires written notification within thirty days of any change to a registrar’s contact information. Vigson’s failure to provide ICANN with written notification of changes to its contact information is a breach of Section 5.11 of the RAA.

Failure to Pay Accreditation Fees

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. Vigson owes ICANN $6,185.58 in past due accreditation fees, in breach of Section 3.9 of the RAA.
