24th November 2012

TO
ICANN SELECTION
ACCOUNTABILITY AND TRANSPARENCY REVIEW TEAM 2013

Dear Sirs,

RE: Motivation for Voluntary Involvement in the Accountability and Transparency Review Team 2013

I am volunteering to be a member of the next Affirmation of Commitments Review Team representing of the Address Supporting Organization . My motivation to be involved in this team is driven by my personal goal which is; to use my knowledge, skill and potential to positively impact society through working with an organization that serves public interests. I am encouraged by the fact that the ASO is willing to endorse my application and expect that my involvement shall in summary:

1. Provide visibility to the Address Supporting Organization and enable other stakeholders to appreciate and understand the role and function of the ASO
2. Assist ICANN stakeholders within my region appreciate and better understand the role and function of ICANN and IANA
3. Enable me learn more about the affirmation of commitments by the United States Department of Commerce and the Internet Corporation For Assigned Names And Numbers
4. Contribute towards creating a gender balance and add value by building on the output of the previous ATRT

I hope my application shall receive due consideration. I look forward to your positive response.

Yours Sincerely,

Fiona Asonga
