16. A two to three paragraph statement about the applicant's knowledge of the GNSO community and its structure and operations, and any details of his/her participation therein; or

I have been an active participant in the ICANN community, and the GNSO specifically, since 2007. My involvement includes Policy Development working groups on such topics as inter-registrar transfers, post-expiration domain name recovery, and fast-flux hosting.

In addition to PDP working groups, I have also served on several task / drafting teams, including the WHOIS Hypothesis drafting team, Registration Abuse Policies (RAP), and the Zone Data and High Security TLD advisory groups.

Finally, I have been an active participant in the GNSO Improvements effort, as a member of the PPSC-PDP working team, which is tasked at examining and revising the policy development process employed by the GNSO.

7. In the event that an applicant has not been involved in the GNSO community, a two to three paragraph description of his/her qualifications that would be of relevance to the accountability and transparency review team.

Does not apply; see above.

8. In addition to the above required information, volunteers are encouraged to self-identify with any GSNO SG / Constituency with which they feel most closely affiliated. If a volunteer is unclear about or chooses not to identify his/her affiliation, the GNSO Council will follow an internal procedure to allocate the volunteer to the most appropriate slot based on available information or further consultation with the volunteer.

I self-identify with the Registrar Stakeholder Group (RrSG).
