1. Employer and Position

Jeff Brueggeman
Vice President Public Policy
AT&T Services, Inc.

2. Work Description

As Vice President Public Policy for AT&T, I am responsible for coordinating policy development and engagement on Internet and technology issues, such as Internet governance, privacy, cybersecurity and sustainability. My responsibilities include representing AT&T in various organizations, events and proceedings which are directly related to the security, stability and resiliency of the Internet. In addition, I lead the policy team that supports AT&T's business in the operation of its global Internet network and the deployment of advanced technologies and services.

3. Ownership and Management Interests

I do not have any financial ownership or senior management/leadership interests in registries, registrars or other entities which have contracts or arrangements with ICANN.

4. Commercial Interest in ICANN Policy Development

I serve as AT&T's representative in ICANN's policy development process. I do not represent other parties in any PDP or other ICANN-related proceedings.

5. Geographic Region

I am a citizen and resident of the U.S.

6. Stakeholder Group

As noted, I am AT&T's ICANN representative and an active member in the Commercial and Business Users Constituency and Commercial Stakeholder Group within the GNSO.
