RE: NOTICE OF TERMINATION OF REGISTRAR ACCREDITATION AGREEMENT

Dear Mr. McCarron:

Be advised that the Internet Corporation for Assigned Names and Numbers (ICANN) Registrar Accreditation Agreement (RAA) with Hosting 365 Inc. (Hosting365) is terminated. As explained in greater detail below, this termination is based on Hosting365's failure to cure the breach set forth in ICANN's letter dated 20 April 2009. Consistent with the terms of the RAA, this termination shall be effective on 4 January 2010.

Hosting365 is further advised that the logo license appendix to the above mentioned RAA is revoked. ICANN demands that Hosting365 remove all ICANN trademarks licensed to Hosting365 immediately from Hosting365's website and business materials under the terms of that appendix.

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. Hosting365 currently owes ICANN \$28,089.20 in past due accreditation fees. Notices regarding Hosting365's past due accreditation fees, including detailed customer statements, were transmitted to Hosting365 several times over the past year.

On 20 April 2009, ICANN sent Hosting365 a notice of breach of RAA based on Hosting365's failure to pay past due accreditation fees. Hosting365 failed to cure this breach in the time period allowed by the RAA.

Based on Hosting365's failure to cure the breach of Section 3.9, and in accordance with Section 5.3 of the RAA, ICANN hereby gives Hosting365 notice that Hosting365's accreditation will terminate on 4 January 2010. For your reference, a copy of ICANN's 20 April 2009 notice of breach and a current financial statement are enclosed.

Please note that termination of Hosting365's RAA does not relieve Hosting365 of the obligation to pay delinquent accreditation fees, which should be paid immediately. ICANN reserves the right to pursue all means available to collect these fees.

To protect the interests of domain name registrants, ICANN will follow its De-Accredited Registrar Transition Procedure (Procedure)

<http://www.icann.org/en/processes/registrars/de-accredited-registrar-transition-procedure-01oct08.pdf> to facilitate the transition of the domain names currently

managed by Hosting365. We encourage you to read the Procedure in its entirety.

Consistent with the Procedure, we are requesting that Hosting365 designate a bulk transfer recipient immediately. Please contact ICANN's Registrar Liaison Manager, Mike Zupke at mike.zupke@icann.org, to designate a bulk transfer recipient.

Kindly note, however, that your designation of a bulk transfer recipient does not prejudice ICANN's right to the Registration Data Escrow data and other rights under the RAA, as well as ICANN's right to transfer names to a registrar of our choosing selected pursuant to the Procedure. It is ICANN's goal to protect registrants from unnecessary harm and we anticipate the full cooperation of Hosting365 if it necessary to implement the Procedure.

Please feel free to contact me at stacy.burnette@icann.org or at the telephone number below if you have any questions.

Very truly yours,

Stacy Burnette
