RE: NOTICE OF BREACH OF REGISTRAR ACCREDITATION AGREEMENT

Dear Mr. Rousset:

Please be advised that as of 19 November 2010, Mister Name is in breach of its Registrar Accreditation Agreement ("RAA") between the Internet Corporation for Assigned Names and Numbers ("ICANN") and Mister Name. These breaches result from Mister Name's failure to: 1) escrow gTLD registration data pursuant to Section 3.6 of the RAA and 2) to pay accreditation fees to ICANN, pursuant to Section 3.9 of the RAA. Should Mister Name fail to cure these breaches within 15 working days, ICANN may commence the termination process as set forth in Section 5.3.4 of the RAA.

Failure to Escrow gTLD Registration Data Pursuant to Section 3.6

Section 3.6 of the RAA requires Mister Name, "on a schedule, under the terms, and in the format specified by ICANN" to "submit an electronic copy of the database described in Subsection 3.4.1 [of the RAA] to ICANN or, at its expense, to a reputable escrow agent mutually approved by Registrar and ICANN."

Mister Name has failed to comply with its obligation pursuant to Section 3.6 of the RAA by not escrowing data with Iron Mountain Intellectual Property Management, Inc. ("Iron Mountain"), the ICANN approved escrow agent, or another reputable escrow agent approved by ICANN.

ICANN provided notice to Mister Name concerning Mister Name's obligation to escrow its gTLD registration data on 11 January 2008 that Mister Name should begin to escrow its data by 1 April 2008. Mister Name elected to escrow its registration data pursuant to this requirement with escrow agent Iron Mountain. However, according to the reports ICANN received from Iron Mountain, it appears that Mister Names made the last RDE deposit on 1 October 2009 and no deposits have been made in furtherance of Mister Name's escrow obligation. More recently, ICANN reminded Mister Name on 3 August 2010 of Mister's Name's obligation to escrow gTLD registration data.

Mister Name's failure to escrow registration data with Iron Mountain constitutes a breach of Section 3.6 of the RAA.

Failure to Pay Accreditation Fees Pursuant to Section 3.9

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. Mister Name currently owes ICANN \$10,729.18 in current and past due accreditation fees. Notices regarding Mister Name's past due accreditation fees, including detailed customer statements, were transmitted to you on 14 January 2010, 23 April 2010 and 24 August 2010.

Mister Name's failure to make timely payment on invoice numbers 24236, 24469, 29613, 30989, 32964 and 33207, all of which are over 30 days past due, constitutes numerous breaches of Section 3.9 of the RAA. A copy of Mister Name's most recent customer statement is enclosed.

Conclusion

As previously stated, ICANN may, pursuant to Section 5.3.4, terminate the RAA before its expiration if a registrar fails to cure any breach of the agreement within fifteen working days after ICANN gives the registrar notice of breach. Should Mister Name fail to cure the breaches cited herein by 10 December 2010, ICANN may commence the termination process.

ICANN specifically reserves the right to pursue any and all other breaches besides those enumerated above, and nothing herein shall be deemed a waiver of that right.
