Public comment rejected by ICANN?

I need this addressed ASAP! Public comments close today.

How do I become a "member" in order to post a comment since I already have SOI on file and have been a participant in an ICANN CCWG and am on several ICANN mailing lists as an observer?

Your request to the Comments-net-renewal-20apr17 mailing list

Posting of your message titled "Comment re: Proposed Renewal of .NET Registry Agreement"

has been rejected by the list moderator. The moderator gave the following reason for rejecting your request:

"Non-members are not allowed to post messages to this list."

Any questions or comments should be directed to the list administrator at:
