---

1. Please note this policy implementation was split into two tracks - one for IGO identifiers and one for INGO identifiers. The IGO identifiers implementation was considered complete as of 1 August 2020. The INGO implementation is currently on hold. [Click here for more info](#).
2. EPDP Phase 2 ODP for SSAD Recs 1-18 only. Please note on 27 April 2022 the GNSO Council requested that the Board pause consideration, to which the Board agreed. [Click here for more info](#).
3. The Board has paused its consideration of the SSAD policy recommendations while the SSAD Light design work is further explored.
4. EPDP Phase 2 Priority 2 Recs to go to public comment along with EPDP Phase 1 Implementation public comment period.
5. Please note this policy implementation was split into three tracks - INGO Claims System Specification, Protection of Red Cross & Red Crescent Identifiers and Protection of “Reserved Names”. [Click here for more info](#).
