delegate with British Delegation at this key ITU conference to negotiate
International Telecommunication Regulations.
- 2009 - 2010 **Internet Governance Forum (IGF):** ISOC Ambassador. See next section.
- 2008 – **IETF & ICANN:** see section on next page
- 1999 – **"Marquis' Who's Who in the World":** Biography selected by Reed-Elsevier
thanks to extensive contributions to the **Internet** as a whole.
- 1996 **PC Magazine Newsletter, Middle & Near East, March 1996**
Featured in article about the spread and development of Internet in Arabic
countries. Provided much of the data required to draw a snapshot of the
current developments of Internet in the Middle East.
- 1995 – **Internet Society (ISOC) English Chapter:** see section on next page
- 1995 **EMMS Newsletter, June 1995**
Featured in article about worldwide connectivity. A snapshot of the situation
was drawn by Eric Arnum (Editor) who analysed the archives generated over
the last 2 years.
- 1993 – **Network Startup Resource Center (NSRC) affiliate, University of**
Oregon, USA: Advisor to African countries on Internet networking:
policy/governance matters, technical consultancy and evaluation of the
requirements for implementation of Internet in that part of the world. **Pro-**
bono advice to NGOs. Advice to UN/NSF projects.
- 1993 **Department of Trade and Industry (DTI):** consulted for closed WG for UK
IT Security Evaluation & Certification Scheme (ITSEC) to establish a scheme for
evaluation of anti-virus products for the benefit of consumers. Written reports.
- 1990 – 1995 **Student Television of Imperial College:** writer, director, producer, editor
and presenter of both live & pre-recorded Television programmes

Promoter of the Open Internet since 1988

- 2009 - 2010 **Internet Governance Forum (IGF):** ISOC Ambassador
In 2009, Sharm el Sheikh, Egypt, I Chaired and Moderated a workshop on "Children in the Age of Mobile Access: The promises of Internet co-examined with the increasing challenges to Child Safety". I also lobbied on behalf of ISOC for the current "Internet Ecosystem".
In 2010, Vilnius, Lithuania, I was remote participation coordinator and moderator for at least sessions: International Trade and Internet Governance; City-TLD Governance and Best Practices; and a main session on Internet Governance for Development (**IG4D**). I am also continuing my lobbying on behalf of ISOC for a User-centric Internet and for IPv6 deployment. In 2012 I was funded by ICANN to be on the panel of the AFRALO workshop and generally promote ICANN At-Large in Baku, Azerbaijan.
- 2009 - 2010 **EuroDIG – European Dialogue in Internet Governance.** Active participant in Geneva in 2009. Member of the Organising Team in Madrid in 2010 for the workshop on IPv6 transition: business and governance impact. Speaker on panel of plenary about the Internet in 2020. Member of organising committee for Belgrade 2011. Moderated Plenary Session the Future of the Internet. Panel member on IPv6. Supported by the Council of Europe. Panel member in Stockholm 2012 regarding how to improve users protection on-line.
- 2008 - **IETF** - Participant (until IETF Dublin 2008). Less active now due to time.
2008 - **ICANN** – attended meetings since Paris 2008 initially promoting **IPv6** adoption but then engaging in an expanding role whenever the open internet model was at threat by being active in the "**At Large**" Constituency and At Large Advisory Committee (ALAC).
In Mexico 2009: Session Chair for IPv6 at ICANN At-Large Summit + Panel member for IPv6 workshop (general sessions). Elected to Board of **EURALO** (European At-Large Organisation)
In Nairobi 2010: panellist on "New gTLD Update and EOI Panel Discussion" conference opening session, on behalf of **At Large**.
In Brussels 2010: elected Secretary of ICANN's European At Large Organisation - EURALO. (stood down in March 2011)
Other noteworthy involvement: Nominating Committee (2009-2010), searching for and choosing the next ICANN leaders; Special Trademark Issues Review Team (STI-RT), a cross-constituency multi-stakeholder working group to produce solutions over trademark deadlocks (Sep-Dec 2009). Chair of many meetings both online and in the real world.
In Cartagena 2010: elected Chair of the At-Large Advisory Committee (ALAC).
In Dakar 2011: re-elected Chair of the At-Large Advisory Committee (ALAC).
In Toronto 2012: re-elected Chair of the At-Large Advisory Committee (ALAC) – two year term.
- 1995 - **Internet Society (ISOC)** – member since 1995. **England Chapter:** Organiser of the Launch of the Chapter taking place at the e-Business conference, Oxford University (March 2000). **Newsletter Editor and ICANN working group Lead.** Also (2003-), Membership Director. (2008-) IPv6 deployment/promotion Lead. (September 2010) Co-organiser of ISOC's INET event in London. (September 2010) In charge of London-based IPv6 Matrix Project (co-sponsored by my company Global Information Highway Ltd)
Chair of the Chapter since February 2012. Co-organised seminar on the World Conference on International Telecommunications (WCIT) with International Institute of Communications (IIC) in October 2012.

Recent notable Conference Speeches and Presentations

- Chaired the panel on "Multistakeholderism, a norm in search of policy" at the "Internet Freedom, from Principles to Global Treaty Law" conference organised by the Council of Europe, Strasbourg, France, April 2011.
- Panellist on "Russian & European Internet Governance Prospects: Reaching the Consensus", at the Russian Internet Governance Forum (RIGF), Moscow, Russia, May 2011.
- Co-Chair and moderator of plenary session on "New and emerging Internet services and business models" at EuroDIG (European Dialogue in Internet Governance), Belgrade, Serbia, May 2011.
- Lecturer, "Multi-stakeholder Governance" and the Summer School of Internet Governance (SSIG), Meissen, Germany, July 2011.
- Presentation of "Internet for Business: Permissionless Innovation" at Bharathi Dasan Institute of Management (BIM), Tiruchirappalli, India, January 2012. Interviewed by "The Hindu", India's largest circulation English Language daily newspaper.
