Stuart Lawley
Chairman
ICM Registry

Dear Stuart:

Thank you for your letters of 25 February 2010, 2 March 2010 and 10 March 2010 regarding the Independent Review Panel's Declaration and the Board's consideration of that matter. The Board certainly appreciates the impact of having just concluded the first Independent Review Proceedings in ICANN's history and we appreciate your inputs regarding that result.

Rest assured that ICANN is taking the Declaration seriously and, as required under Article IV, section 3.15 of ICANN Bylaws, we are considering the Declaration at various meetings throughout the week here in Nairobi. Thank you for your statement of your willingness to work cooperatively with ICANN. While I will respectfully decline your invitation for a meeting this week, I thank you for the offer and hope that we can meet if necessary, as we continue to conduct our review of the matter.

Best regards,

Peter Dengate-Thrush
