Call for Volunteer ATRT Members: Representing ICANN Advisory Committees and Supporting Organizations; and Serving as Independent Experts

Dear ICANN,

I am writing to express my wish in becoming one of the volunteers in second Accountability & Transparency Review Team.

Currently, I am an Chief Business Officer / Chief Legal Counsel to the National Register of Internet Domain Names of Serbia (RNIDS). RNIDS is responsible for managing two ccTLDs .rs and <.cpб>  
<xn--90a3ac>.

I'm working as a lawyer in domain names business almost for five years. During that period I was involved in writing a dozen of documents in Internet Domain Name registration and Corporate Governance mater. I'm following all the time not only ICANN and its working practices and activities, but also the practice and activities of other registries and CENTR activities too.

Currently, I am a member of two ICANN working groups, IDNPDP2 and Framework of Interpretation Working Group. I have participated in several telephone conferences and one face-to-face meeting. I am participating also in all CENTR Administrative and Legal and Regulatory Workshops.

I have strong willingness to learn and I am very interested in Competition mater, which is one of the topic for review.

I would like to continue being an active member of the internet community and I hope that my experience would be helpful to ICANN and Accountability & Transparency Review Team.

Thank you for your consideration.

Best regards,

Dejan Djukic
