**Re: Lee Eulgen- Candidate for Review Team 4 (WHOIS Policy)**

Dear Sir or Madam:

I write to submit my name as a candidate for the position of volunteer review team member on the WHOIS policy review team as a representative of the Intellectual Property Constituency ("IPC").

I currently serve as Chair of the International Trademark Association ("INTA") Domain Disputes and WHOIS Policy Subcommittee, a branch of that organization's Internet Committee. Through my extensive work with the IPC and International Trademark Association, I have become very familiar with the substantive area of this review, namely WHOIS protocols, and procedurally, with ICANN, its working practices, and culture. Moreover, my experience assisting clients with policing their intellectual property rights has provided valuable, relevant insight into the areas of WHOIS policy that matter most to the IPC and its members.

Finally, I believe that in prior ICANN involvement I have displayed the spirit of teamwork and adaptability required to be a valuable member of the review team. I am excited by the prospect of being able to serve both ICANN and the IPC on this team.

Very truly yours,

Lee J. Eulgen
