

ccTLD Contributions

The following table summarizes the contributions paid to ICANN from ccTLD registries by contribution year.

The information included in the table above is based upon the ICANN fiscal year for which the contribution was made (as per indicated on the invoices), irrespective of the effective date on which the invoice was issued.

For example, an invoice issued on 31 July 2016, for a contribution pertaining to ICANN 's fiscal year 2016 (which closes on 30 June 2016), would be reported in the column ICANN FY16, even though the invoice was issued at a date included in ICANN's fiscal year 2017.

At the time of publication of this report, ICANN may have received from a ccTLD operator communication of an intent to contribute, but the payment may not have been received. In this case, such intended contribution is not reflected here.

This report is published on an annual basis and updated versions may be published if any changes to current and prior years need to be reflected.
