SPONSORSHIP OPPORTUNITIES
What is the **IDS**?

The ICANN DNS Symposium (IDS) is a two-day event focused on all aspects of the Domain Name System (DNS). The theme for IDS 2019 is: Understanding the Security, Stability and Resiliency of the Domain Name System. IDS 2019 will focus on emerging technologies, protocols, and other issues that may affect the security, stability, and resiliency (SSR) of the Domain Name System. Specific topics of interest are measurement and detection of SSR of the DNS, as well as prevention of DNS abuse.

**In just two years, more than 400 participants from 55 global and local organizations have participated in ICANN DNS Symposia.**

Participants include:
- generic top-level domain (gTLD), brand and geo registries.
- ICANN-accredited registrars.
- gTLD resellers.
- gTLD hosting providers.
- Registry service providers.

Why Become a Sponsor?

The IDS gives sponsors an opportunity to increase visibility among the DNS technical community and receive recognition as industry leaders.
