# What is the **GDD Summit**?

The GDD Industry Summit provides contracted parties an opportunity to engage and address issues of mutual interest and importance. This forum enables direct and one-on-one interaction with members of ICANN's GDD team. It is not a typical ICANN meeting, nor is it intended for discussions of policy.

More than **446 participants from 57 countries** attended the 2019 summit in Bangkok, Thailand.

Participants included:

- gTLD, Brand, and Geo registries
- ICANN-accredited registrars
- gTLD resellers
- gTLD hosting providers
- Registry service providers

## Why Become a Sponsor?

The GDD Industry Summit gives sponsors an opportunity to showcase their businesses or services to members of the global Domain Name System marketplace. Choose a package that meets your marketing objectives – or talk with us about creating a custom package – to increase your visibility with this select audience of industry insiders.

Note: Sponsor will be responsible for expenses for branding-related production, installation, and any venue branding fees (if applicable). All materials subject to approval by ICANN Sponsorship Team before final production.

\*All applicable taxes and fees included in sponsorship pricing.
