<i>Other (<\$20k)</i>	· Includes additional payment for graphics/media work, and other miscellaneous services.	0.5
		\$7.9

¹Includes all external lobbying expenditures, not only those related to the IANA Stewardship Transition. Does not include staff allocated costs.

Note: The costs indicated were incurred starting 1 July 2014, up to the most recent quarter end available. Though the transition period effectively started on 14 March 2014, costs were not tracked to a project between March and June 2014, and included only the time of staff support as the transition work was being organized, with insignificant professional services expenses.
