Dear Domain Name Industry Stakeholder,

Thank you to those of you who were able to join the IDN Review Tool webinar. In this webinar, Pitinan Kooarmornpatana, Sr. Manager for IDN Programs, presented the following information:

- IDN Table and Reference Label Generation Rules (LGRs)
- IDN Table Review Tool features
- How to use the IDN Table Review Tool
- Demo of IDN Table Review Tool

If you were unable to join the webinars you can find the recording at the link below.
