

Response to Documentary Information Disclosure Policy Request

To: Mr. Brian Krebs

Date: 22 December 2008

Re: Request No. 20081121-1

Thank you for your Request for Information dated 21 November 2008, which we understand was submitted pursuant to the Internet Corporation for Assigned Names and Numbers' (ICANN) Documentary Information Disclosure Policy (DIDP). For reference, attached to this letter is a copy of your request.

There is no information responsive to your request as there is no listing of officers on the Registrar Accreditation Agreement (RAA).

We can inform you, however, that Manisha Mani signed the RAA with Dynamic Dolphin, Inc. as the CEO, and was the only officer listed on the registrar accreditation application.

We hope this information is helpful. If you have any further inquiries, please forward them to didp@icann.org.
