Re: Continued Support of ICM Application

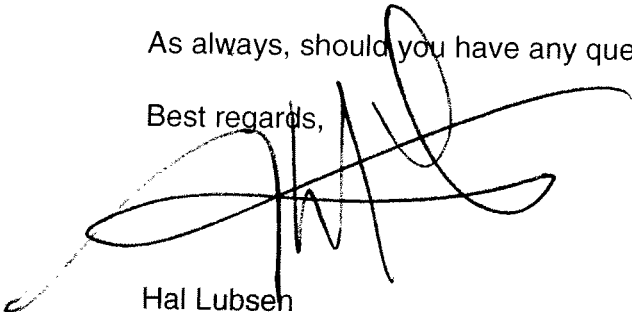

Dear Rod:

By this letter, Afilias Limited hereby notifies ICANN of the following:

1. Afilias is a party to an agreement with ICM whereby Afilias has agreed to provide back-end registry services to ICM in support of the .xxx TLD in the event that such TLD is awarded to ICM by ICANN. That agreement remains in full force and effect as of the date hereof; and
2. Per the terms of the agreement between Afilias and ICM, Afilias has agreed to take over operation of the TLD, at least on a temporary basis, in the event of failure of ICM, consistent with the detail in Part C, Business Plan – Registry Requirements, section VIII, of ICANN's RFP entitled "New sTLD Application".

As always, should you have any questions, feel free to contact me.

Best regards,

Hal Lubsen  
President & CEO
