RE: RegisterFly.com, Inc.

Dear Mr. Pritz:

Thank you for your letter of February 28, 2007. Per our previous discussions with Mr. Zupke of ICANN, my clients are willing to place the database in escrow with a third party in accordance with Section 3.6 of the Registrar Accreditation Agreement with ICANN. Iron Mountain has been suggested as an escrow agent, however, if ICANN prefers another escrow agent my clients are willing to comply with any such request. The only stipulation is that the information shall not be released by the escrow agent without my client's prior written consent.

All other information required by the ICANN audit is being provided to my clients by their back-end provider - Tucows, Inc. Representatives at Tucows have confirmed that they have contacted ICANN and that Tucows has agreed to maintain and back-up this data. Unfortunately, Mr. Naruszewicz and Mr. Stansbury are using their best efforts to continue servicing the needs of their customers and, as such, will not be available to meet with ICANN representatives at the Boonton offices today at 3 p.m. This should not be construed as my client's unwillingness to cooperate with ICANN but rather as evidence of their continuing efforts to service their customers.

Also, as requested in your February 28, 2007 letter, this will confirm that the address for the Company is 404 Main Street, Suite 401, Boonton, New Jersey.

Please do not hesitate to contact me should you have any questions or comments.

Very truly yours,

Aristotle G. Mirzaian
