EPDP Team Makes Significant Progress at ICANN63
The Expedited Policy Development Process (EPDP) Team on the Temporary Specification for gTLD Registration Data worked hard during ICANN63 and held sessions nearly every day in Barcelona. In following its draft work plan, the EPDP Team's primary goal was to finalize recommendations for its Initial Report. The EPDP Team presented an overview of the team's composition, scope, progress, working methodology, and expected next steps in relation to the publication of the Initial Report, which will be published shortly.

ICANN Turns 20!

ICANN celebrated its 20th anniversary at ICANN63. A special ICANN@20 Years session and cocktail celebration were held during the meeting.

Check out the photos from these events and other ICANN63 photos on our Flickr page, here.

ICANN Recognizes Community Leaders

While in Barcelona, ICANN recognized the contributions of 44 community leaders during ICANN63. The ICANN community develops and refines policies to ensure the security, stability, and resiliency of the global Internet. The ICANN organization is proud to facilitate this work and to celebrate the contributions of ICANN’s community leaders.

LACRALO New Leadership

We want to express our sincere thanks to Maritza Aguero Minano (Peru) and Humberto Carrasco (Chile)
for their leadership, commitment and hard work in the past 3 years at the head of the Latin American and Caribbean (LAC) At-large Organization. We also want to congratulate Sergio Salinas Porto (Argentina) and Harold Arcos (Venezuela) who will now lead the regional organization in promoting the Latin American and Caribbean users’ participation in ICANN's policy development processes.

ICANN Publishes First Series on PDP Experiences
During ICANN63, ICANN published the first edition of the series PDP Experiences - Latin America and the Caribbean 2018 series. We invite you to read your colleagues' stories and anecdotes about the policy development process (PDP) at ICANN and its importance for the LAC region. This publication is a new initiative to highlight the importance of LAC member participation in PDPs and to encourage more involvement from the LAC region. It was presented during the LAC session on PDPs at ICANN63, where regional community members discussed views, shared information and debated different PDP processes. Access the publication in English, Spanish, Portuguese and French, here.
