**Individual Question Ratings**

Each of the 11 questions has a maximum rating of 5. Thus, a 5.0 would mean that all raters provided a “Strongly Agree” response on that specific question.

He was careful to avoid any comments that could be construed as favoring, or criticizing, any candidates. Damon was able to intervene with useful comments when an issue arose, or an approach was initiated, that could violate, or would operate outside of, NomCom principles, processes or rules.

It was useful having his experience on the Leadership team, since he provided context, while the Chair was facilitating the meeting.
