**NomCom**

**Fellowship Selection Committee**

Amir Qayyum discussed that there was not much to talk about the Fellowship Selection Committee as ICANN public meetings have been transitioned to virtual meetings since March 2020. Amir noted that the selectees for March 2020 ICANN meeting would be offered the fellowship slots for March 2021 meeting and, similarly, selectees for June 2020 ICANN meeting would be offered the slots for June 2021 meeting.

**Fellowship Mentoring Committee**

Naveed Bin Rais explained that mentors would normally work with newcomers for the Community Forum in March and Annual General Meeting in October/November whereas they work with the fellowship alumni for the Policy Forum in June. However, Naveed noted that ICANN put the newcomers and the alumni into one pool this time due to the transition to virtual meetings. As a result, Naveed added, the mentors had been working with the same fellows for an extended period this time.

**Any Other Business**

It was agreed to have the next RSSAC Meeting on Tuesday, 3 November 2020.
