

IANA Community Day

ICANN DNS Symposium
November 2022

Kim Davies
VP, IANA Services, ICANN
President, PTI

PTI | An ICANN Affiliate

Welcome

- Today is an opportunity to discuss some key areas of IANA's contemplated DNS-related technical roadmap
- Gain early insights from the community on areas of refinement
- Stimulate discussion and thinking on some of these areas in advance of comprehensive community consultation
- **Intended to be a collaborative discussion. Feel free to make comments throughout today's topics.**

Today's Agenda

- Introduction (0900-0910)
- Root Zone KSK Rollover and Algorithm Change (0910-1030)
- Technical Check Evolution (1110-1230)
- Authentication Improvements (1330-1410)
- Recap and/or additional updates (1410-1450)
