Dear Trey,

On behalf of ICANN, mTLD Ltd (dotMobi) is hereby authorized to deploy Internationalized Domain Names (IDNs) on the basis of its commitment to adhere to the "Guidelines for the Implementation of Internationalized Domain Names." The current Guidelines are viewable at <http://www.icann.org/topics/idn/implementation-guidelines.htm>.

Accordingly, on behalf of ICANN and acting under ICANN Board resolution 03.48, dotMobi is granted written approval for the deployment of IDNs in compliance with the provisions of the current version "Guidelines for the Implementation of Internationalized Domain Names" including by using tagged domain names beginning with "xn--" as specified in Appendix 6 of the Registry Agreement between dotMobi and ICANN.

ICANN looks forward to supporting the efforts of dotMobi and others to promote the responsible deployment of IDNs based on the principles stated in the Guidelines.

Kind regards,

Kurt Pritz
Senior Vice President
