For Reconsideration Requests brought regarding staff action or inaction, and actions by third party panels in the New gTLD Program (including the expert dispute resolution panels) that are being treated as staff actions, the BGC has the option to issue final Determinations or to issue Recommendations to the Board. In any event, the Board Governance Committee shall endeavor to produce its final recommendation to the Board within 90 days of receipt of the Reconsideration Request. (See Bylaws, Art. 4, § 4.2(q).)
