Register for the GDD Industry Summit and DNS Symposium [here](#)

Reserve your hotel [here](#). Discounted rates expire on 27 March.

Agenda, registration and hotel links can also be found on the [GDD Industry Summit page](#).

This GDD Industry Summit will provide ICANN-accredited parties and the businesses that support them with an opportunity to network and discuss operational issues, best practices, lessons learned, and emerging and ongoing challenges. As in past GDD Industry Summits, the sessions will encourage attendees to have candid, solutions-oriented conversations in a more focused environment than the triannual ICANN Public Meetings permit. Attendees will also have the opportunity to become better acquainted and schedule consultations with ICANN Global Domains Division staff.

Interested in sponsoring any or all of the week's events? [Sponsorship packages](#) are still available. Please contact [GDDsponsorships@icann.org](mailto:GDDsponsorships@icann.org) with any questions.

As a reminder, 2020 GDD Industry Summit and ICANN DNS Symposium registered attendees are eligible to participate in the [ICANN Community Child Care Grants Pilot Program](#). Applications will be accepted until **Friday, 31 January 2020**; apply [here](#). If you have further questions, please send an email to [childcare@icann.org](mailto:childcare@icann.org).

We look forward to seeing you in France in May 2020!
