III - 21 – 33 Points

IV - 0 – 20 Points

In order to promote a broader opportunity for all registrars to potentially receive bulk transfers through this process, the applicant(s) in the highest achieved score category will be considered for the bulk transfer. In other words, if there are multiple applicants in category I, they will all be deemed to have a tied score. Similarly, all applicants in category II will be deemed to have a tied score, etc.

In the event multiple applicants are scored in the highest achieved category, their responses to question 8 will be used to break the tie.
